

January 12, 2016

Dear Friends,

Another year has come and gone and with it there have been changes that will forever change my life. As I reflect on this past year and all that has happened, I can see that God has been with me every step of the way. As Christians we don't always understand but we trust in Him.

After a two and a half year battle with cancer, God chose to take Rob to Heaven. He went home to be with Jesus on July 22, 2015. My heart is sad but I know he finished his race and is waiting for me in Heaven.

In February 2015, funds were raised for a satellite program to begin in the Tortomanu Village of Romania to feed children. Construction is in process and that program is scheduled to start up this month. Children are being ministered to already but many more children will be reached because of this. Thank you everyone for supporting this and being a part of changing lives one step at a time.

In September 2015, another small satellite program in the village church in Cobadin was started. There are 15 children in this village program. With the addition of these new programs there are 60 or more children that are being fed and educated in Medgidia, Romania. These programs are lead by 6 team leaders, 2 directors and an Administrative Coordinator plus many volunteers that come in to help with preparing meals for the children.

My daughter, Amanda, and I visited Romania in October. While we were there we were able to be part of the purchasing of property for a church in the nearby village of Niripari. They have been meeting in a Romanian home for a year. It's exciting to see what God is doing! Rob and I had been burdened for the spiritual and physical needs of the people in the villages of Romania. Muslim and Orthodox is prevalent and the name of Jesus is not spoken.

During our visit God revealed to me that He still has a plan for my life and He didn't change His mind about my purpose and call to follow Him. God has already prepared the way for my return visit to Romania. On January 15, 2016 I will return to Romania for four months. My utmost desire is to lift up the name of Jesus and proclaim Jesus is Lord! He is my healer and my soon coming King!

As I return I will be teaming up with Stepping Stone Missions and Bless Ministry. I need your support spiritually, physically and financially because nothing I do in Romania can be without you! I thank you for taking time to read, support and encourage me as I join this ministry. You
